PERSONAL FINANCING-i FOR GOVERNMENT SERVANT

 [To be filled in by Sales/Branch Personnel]

1. What is this product about?

This is an unsecured Personal Financing-i offered to government servant. The financing is offered through salary deduction using the service of Biro Perkhidmatan Angkasa (BPA) of an appointed service provider namely Malaysia Building Society Berhad (MBSB).

2. What is the applicable Shariah concept for this product?

The Personal Financing-i adopts the concept of Commodity Murabahah via Tawarruq arrangement. Commodity Murabahah is referring to trading of commodities which act as underlying assets of a transaction. Customer will make payment of the sale price of the commodity, which is including cost price and profit on deferred basis. With the concept of Tawarruq, Customers will receive cash in exchange for the commodities being sold off to third party.

Transaction Flows:

The Customer and RHB Islamic Bank (RHBIB) enter into an agreement where the Customer promises to buy a specified commodity or asset from RHBIB and the Customer then appoints RHBIB as his agent to sell the said commodity.

- RHBIB will purchase a commodity from Broker A at a purchase price;
- Ownership of the commodity will be transferred to RHBIB;
- RHBIB will sell the commodity to a Customer at a 'mark-up' price (purchase price plus profit margin)
- Customer will appoint RHBIB as agent to sell off the commodity;
- RHBIB acting as Customer's agent will sell the commodity to Broker B;
- Broker B will purchase the commodity at the purchase price and credit RHBIB account to reflect the sales transaction;

- Should you encounter any difficulty in meeting your obligations, please contact us in advance to discuss payment alternatives. This is to avoid legal action if you are unable to pay your monthly payment.
